

## DEPARTMENT OF CHEMISTRY

### Report on M.Sc (Organic Chemistry) Freshers' and Farewell Party

The Department of Chemistry, Sardar Patel College, organized a combined **Freshers' and Farewell Party** on **29th April 2025** in the college auditorium (III Floor). The programme was conducted with great enthusiasm and joy, marking both a warm welcome to the new M.Sc (Organic Chemistry) first-year students and a heartfelt farewell to the outgoing second-year batch.

The event began with a formal inaugural session, where the **Principal, Vice Principal, Academic Coordinator, Head of the Department, faculty members, and senior students** extended their greetings. The freshers introduced themselves creatively through short speeches, songs, and fun activities, creating a friendly and cheerful atmosphere.

To bid farewell, the outgoing students shared their memorable experiences during their course of study and expressed gratitude to the faculty for their constant guidance and support. Juniors also conveyed their best wishes for the seniors' bright future.

The cultural segment featured **lively dance performances, melodious songs, skits, and a ramp walk** presented by the first-year students. Various games and spot events were also conducted, adding energy and excitement to the celebration.

The highlight of the event was the **crowning of Mr. Fresher and Ms. Fresher**. The party concluded with a **vote of thanks** followed by a **group photo session**, capturing the joyful moments.

The Freshers' and Farewell Party was truly a memorable occasion that strengthened the bond between students and created lasting memories for both juniors and seniors.
