

Report on World Environment Day 2025

Date: 10-05-2025

Objective: To create awareness among students about the environment and highlight the harmful effects of plastic pollution.

Theme: *"Combating Plastic Pollution"*

Outcome:

The Department of Life Sciences organized a program on **World Environment Day 2025** to spread awareness among students on the importance of combating plastic pollution. Life Science students actively participated and made the program a success.

Highlights of the Event:

- The judgment was given by **Mrs. Sarala**, Department of Computer Science.
- **Four saplings** were planted by the Vice Principal **Mrs. Rajini**, Head of the Life Science Department **Mrs. Heena Saraswat**, and **Ms. Muskan Banu** from the Departments of Botany and Nutrition.
- Various competitions were conducted, including:
 1. Debate
 2. Elocution
 3. Poster Presentation
 4. Sapling Plantation

A total of **10 students** participated in the competitions, out of which 3 were selected as prize winners.

Winners List:

- **Poster Competition – 1st Prize:** Navya (B.Sc. II Year) & Ravi Traze (B.Sc. II Year)
- **Elocution – 1st Prize:** Pallavi (B.Sc. III Year)
- **Debate – 1st Prize:** Shreya (B.Sc. II Year)
