Report on Financial Education Webinar

A National Seminar on Financial Education was successfully conducted on 28th January 2025 through Zoom, in alignment with the Securities and Exchange Board of India's (SEBI) mandate to raise awareness on investor education and protection. The session aimed to equip participants with key financial planning and investment knowledge, especially in uncertain times.

140 participants, including students from diverse groups such as B.Com, BBA, B.Sc, and BA, and faculty members from College have participated in the webinar.

Key Topics Covered:

- **Financial Planning & Investment:** Participants learned essential skills for planning a secure financial future, including retirement planning, children's education, and tax-saving strategies.
- **Investment Options:** Discussion on government securities, corporate securities, and pension funds emphasized wealth creation, safety, liquidity, and returns.
- **Smart Investing:** The importance of rebalancing investment portfolios, staying away from fraudulent schemes, and diversifying investments was highlighted.
- **NPS (National Pension System):** Participants were educated on the role of NPS in building a stable retirement fund.
- **Investor Education:** Emphasis on investor resilience, research, and the avoidance of unsolicited investment offers was made to safeguard against financial risks.

Conclusion:

The webinar effectively raised awareness about the importance of financial literacy and investor protection, providing valuable insights to participants. The success of this session sets the stage for future financial education initiatives.
