**REPORT ON
An Orientation Program on " Internships and Project work
Preparations"**

Date: 17-02-2023

Topic: A Seminar on Internship and project work preparation in association with V-Axis Learning Pvt Ltd.

Objective: The main agenda was to enlighten the students regarding the projects and various internships available for accomplishing their projects.

Department of Business Management organized a seminar on "An Orientation Program on Internships & Project Work Preparations" in association with V-Axis Learning Pvt Ltd on 17-02-2023 in the college premises.

The guest speaker for this event was Mr Srinivas, the Director from V-axis learning Pvt Ltd. The speaker has emphasised about how to prepare project report, and internship opportunities in their company.

The speaker has discussed about the importance of internship as students get a practical knowledge and in hand experience working in the company and also get knowledge regarding the project they choose .They have also briefly discussed about the format of the project and also explain about the various tools and methods used in data analysis . They have also conducted interview for all the final year students and selected 50 candidates for online internships.
