TODAY'S BUSINESS WORLD AND CAREER OPPORTUNITIES

Date: 20-04-2023

Topic: Today's business world and career opportunities

Objective: The main agenda of this session was to enrich the students regarding various trends and challenges in selection of their career

Department of Business Management organized a seminar on "Today's business world and Career Opportunities" on 20-04-2023 with the support of Dr. Surya, General Manager from Rotomaker India Private Ltd. All the Management students and faculties were participated.

In the session Dr Surya has explored the current trends and challenges in the business world and discussed how students can best prepare themselves for future. He has also created awareness about VFX industry and insides in to the vast career opportunities it offers. He also discussed about soft skills and how to prepare resumes and CV for the corporate interviews. Dr Surya discussed about Artificial Intelligence and the career opportunities.

Students have learned the present career opportunities in corporate world, soft skills, CV preparation and about the significance and role of artificial intelligence.
