Telangana Women Commission Chairperson Sunitha Lakshmareddy said that the society will develop only when women are fully developed and the country will progress only when women achieve economic, political and social self-reliance. She participated in the Women in Science program organized by Vigyan Darshini at Sardar Patel College in Padmarao Nagar on Monday. 43 among Indian women

Only 14 percent said that women are opting for the science field despite the fact that 10 percent are pursuing careers in the science field. Abdul Kalam's name comes to mind when Hum is Missile Man and Tracy when Hum is Missile Woman.

She asked how many people knew about Thaman. Women Commission Secretary Krishnakumari, Shanmuka Jyoti, Principal Hemalatha, Vidya Jyoti Treasurer Tulsiram, Members Mahesh, Vishnu Vardhan, Raju and Ramakrishna participated in the work
