

SARDAR PATEL COLLEGE
DEPARTMENT OF LIFE SCIENCES
REPORT ON GUEST LECTURE

Date:- 25th August 2025

Event:- Guest Lecture On "Entrepreneurship In Life Sciences " By Dr. Chathyushya K B.

Venue:- 3rd Floor Auditorium, Sardar Patel College, Secunderabad.

Objective:- The main purpose for arranging this guest lecture is

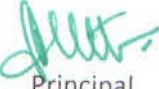

- 1) To create an awareness on entrepreneurship and the opportunities available in life sciences.
- 2) How to convert an idea into a business venture.
- 3) To introduce the students to the Government schemes and subsidies available .
- 4) To instill confidence in students to start their own business in the field of science.

Report : Dr Chathyushya introduced the term Entrepreneurship and explained the various opportunities available in the fields of life sciences like healthcare, medtech, Edtech, Agritech, Biotech, and clean energy to name a few. It was also mentioned that out of the top 15 richest people in Telangana 8 are from life sciences. She explained about the advantages & disadvantages , risk management, government schemes and subsidies available for entrepreneurship in life sciences.

The program was followed by certificate distribution who attended two days workshop at Manna Biotech Lab.

Outcomes :- Students were motivated to initiate startups and become young entrepreneurs and provide employment to others also. She encouraged the students to think out of the box and achieve their goals with perseverance.
