

## **Report on Making of Eco-Friendly Rakhis – 2025**

**Date:** 07-08-2025

### **Objective:**

To create awareness among students about the use of eco-friendly materials and to signify the bond between brothers and sisters.

### **Outcome:**

The Department of Botany organized a program on making eco-friendly rakhis on 7th August 2025.

Students prepared various types of rakhis using flowers, petals, seeds, wheat grains, rice, grass, pulses, maize husk, ear buds, and other biodegradable substances.

The event created awareness among the students about the importance of using biodegradable materials and also highlighted the significance of the bond between brothers and sisters.

Students from the Life Sciences streams actively participated in the program, making it a grand success. A total of 10 students participated in the competition, out of which 3 were selected as prize winners.

### **Winners List:**

- **1st Prize:** Ms. Samreen – B.Sc (BTBC) 1st Year
- **2nd Prize:** Ms. Subhashini and Mr. Shaun Louis – B.Sc (BNC) 1st Year
- **3rd Prize:** Mr. Ravi Pandey – B.Sc (BTBC) 2nd Year
